Dear Greg

Re: Jane Tomlinson Swim For All

On behalf of Wakefield Council I wish to convey a most sincere thank you, for your sterling effort on the 10th July 2011. I am aware that you arrived on site early for a pre swim discussion on safety issues and that you consistently had a positive, cheerful attitude during the event. You were in position before the swim started and as the last swimmer left the water, any potential risks were managed extremely well by your team work.

The Event organiser and Pugney's staff acknowledge that without your help, it would not have been possible to stage the swim in a safe environment. Due to your attendance, various charities have benefited financially in the memory of Jane Tomlinson, swimmers have enjoyed the challenge and thrill of open water swimming and friends and family have the pleasure and satisfaction of watching participants take part and finish the course.

To volunteer for such an Event, and more importantly, making it work is a testament to your character. Mike Tomlinson has decided to make it an annual event and has already booked for 2012. Once again many thanks for your time and invaluable skills and we look forward to working with you again in the future.

Yours sincerely
